## Annexe VII. Cartes et références des relevés GPS

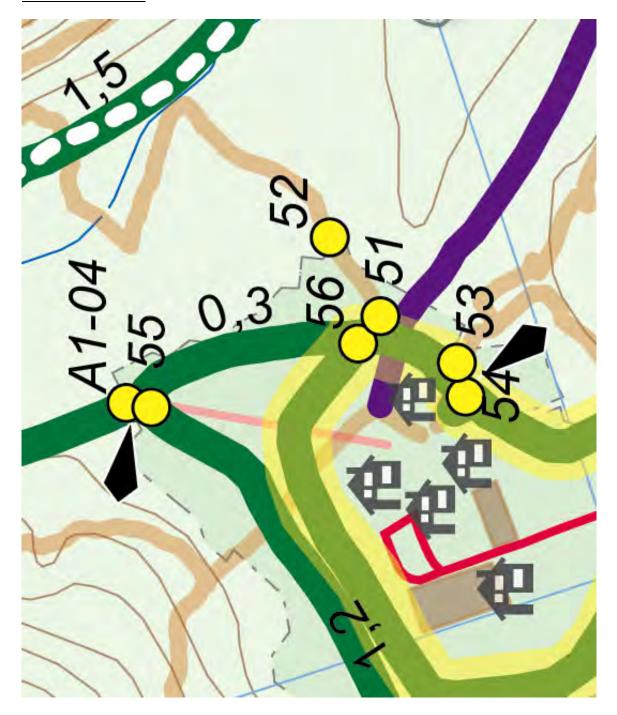

Dans cette annexe, vous trouverez les informations suivantes :

- Sur chaque page, le nom et une carte d'un sentier ou d'une partie du sentier ;
- Sur cette carte, un rond jaune est associé à un numéro ;
- Le numéro correspond à un relevé GPS contenu dans l'annexe VI «Liste détaillée des affiches et des supports » ;
- Le rond fournit l'emplacement prévu pour le support et les affiches ;
- Certains dessins ont été ajoutés pour décrire avec plus de précisions un emplacement qui requiert plusieurs supports. Par exemple, une intersection ayant plusieurs embranchements ;
- Ces informations seront remises aux personnes qui s'occuperont de l'installation des supports et des affiches.
